## Gift Payment/Pledge Commitment to Orchard Village

I wish to give evidence of my interest in and support of Orchard Village.

Name and address:

I do so in consideration of Orchard Village's important major gifts campaign, **Active Pursuits**. I recognize that Orchard Village will incur expenses in anticipation of payment of my gift/pledge and will rely on my commitment in seeking gifts/pledges from others.

The overall expectation for the use of this gift or pledge is to fund construction of a new building and creation of new programming. However, the funds also may be used, at the discretion of Orchard Village, to pay for expenses incurred by Orchard Village during the campaign to include the repayment of indebtedness.

Payments may be a made on a one-time basis or pledged and paid over as many as three (3) years. I wish to make my payment(s) via:

- Check /Cash (please make checks payable to **Orchard Village**)  
 Credit /Debit card (instructions to follow later)  
 Stock (see additional page of this form)

Based on these considerations and in respect for the commitments of others:

I am paying/pledging the total sum of: \$ \_\_\_\_\_

Full or Initial payment	\$ _____	date to be repaid by: ____/____/____
Second payment	\$ _____	date to be repaid by: ____/____/____
Third payment	\$ _____	date to be repaid by: ____/____/____

I authorize Orchard Village to list my name as a contributor in its efforts to secure similar commitments from others. Unless otherwise noted, my name will be listed as: \_\_\_\_\_.
